DRILLS FOR THE HOLE WORLD

1340 DUAL-ROTARY

NO COMMERCIAL DRIVERS LICENSE REQUIRED

The 1340 DR is the light-weight, non-CDL dual-rotary drilling solution built for drilling companies that want capability without the complexity. The 1340 DR keeps your team on the road without needing specialized licensing. This makes hiring easier, expands your labor pool, and lowers onboarding time. Just tow your air!

The Derex 1340 DR is the perfect solution for domestic water well, geothermal, and RC exploration projects. Take the stress out of drilling through difficult overburden, drill and set casing at the same time with the Derex 1340 DR.
